

What Mr. B Lost in California's Last 3 Budget Cycles (2008 - 2010)

The last three State budget cycles have eliminated cost-effective supports that helped hundreds of thousands of Californians avoid the nursing home and emergency room and live safely in the community.

\$77/month SSI income
(now his grant is \$845/mo)

Dental coverage
Podiatry
Audiology
Optometry & optical services
Incontinence supplies...
(all these and more, Medi-Cal no longer covers)

??Help paying Medicare Part B Premium of \$97/month??

Case Management (Linkages and MSSP)

??**In home help** (IHSS cuts temporarily blocked, but subsidy for cost share eliminated)??

Respite care for Mr. B's caregiver (Alzheimer's Day Care Resource Center or Respite Purchase of Services)

Friendly Visiting (Senior Companion)

Property **tax help** or Renter's Tax Credit

Grocery bag of **food** (Brown Bag Program)

Oversight, **Protection** and Advocacy for older adults (Long Term Care Ombudsman and Adult Protective Services)

Adult **Education** Classes

Connection to younger generation (Foster Grandparent Program)

What Alameda County's local economy lost...

\$93.7 million (SSI/SSP)

... coverage for preventive services for over 34,000 Alameda County seniors.

-

\$228,000/year (Linkages)

?? \$129,525,000/year+ if court injunction lifted on 2009 IHSS cuts??

\$10,000/year (Respite)

\$75,000/year ADCRC)

\$21,000/year (Sr. Companion)

-

\$20,000/year (Brown Bag)

\$130,000/year (Ombudsman)

-

Total lost:
\$94.1 million this year
(potentially \$224 million next year)
